			Two students reported hazing occurred in Sigma Alpha Epsilon (SAE) during the spring 2021 semester. Providing actives rides, forced			Primary Sanction(s): Conduct Review for 2 semesters (10 students) Conduct Probation for 1.5 semesters (1 student) Suspension and Conduct Probation for 2 semesters upon reenrollment (5 students) (1.) ETHICS AND DECISION MAKING WOKRSHOP: A one day, in person workshop to assess/acertain individual values and how to apply values to actions through the steps of the decision making process.		Primary Sanction{s}: Organizational Suspension through October 1, 2023 Organizational Conduct Probation for two full calendar years upon re-recognition

Sigma Alpha Epsilon	Spring 2021	6/16/2021	exercises, providing dip and cigarettes to active members, and consumption of alcohol were some of the activities listed. In addition to that, on March 29, 2021 at the SAE house, they were forced to do exercises, physically assaulted, and a chemical was poured on their bodies that caused third degree burns by members or people affiliated to SAE. SAE newly initiated and active members stated no hazing has occurred or did occur in SAE this past spring semester. Most of the people interviewed acknowledged what happened to them, but did not provide clear reasons as to why. The organization found a student responsible for this incident and removed him from SAE. No official reports of this incident were made by SAE to the university or their national's office regarding this incident.	10/20/2021 (1 Pending Resolution)	In total 17 students were found resposible for actions related to hazing in this incident. Students either failed to report actions related to hazing in this incident, or assisted, directed, and/or cau pledges or new members to give actives rides, do excersises, prov dip and cigarettes to active members, and/or to consume alcohol Additionally one or more student(s) involvd were found responsible for the actions that occured on March 29, 2021.	(2.) HAZING EDUCATION WORKSHOP: A one day, in person workshop to discuss the characteristics of hazing and examples, its impacts, and the organization individuals are a member of and how it can prevent hazing in the future. (3.) MEET WITH ADMINISTRATOR: Attend a meeting with an administrator to discuss how you can be an ethical leader in the future and how inaction by leaders can be detrimental to organizations and communities and/or r to discuss how to be an effective role model and mentor in the future and how inaction by leaders can be detrimental to the safety of others. (4.) REFLECTION PAPER: individualized prompt intended to meet a specific educational outcome. (5.) BASICS: an individual interview process conducted over two 90-minute meetings designed to discuss a student's drinking habits and assist the student in making informed decisions regarding their alcohol consumption.	TAMU Student Rules (24.4.5. Hazing)	10/12/2021	Secondary Sanction(s): (1.) Consultation with Office of Fraternity and Sorority Life: To review and approve Sigma Alpha Epsilon's anti-hazing educational plan, new member education plan, member accountability process, social event approval process, recruitment plan, and crisis management process within a month of re-recognition by the university. (2.) Anti-Hazing Education: For 2 semesters with 90% of members present and participating. (3.) Alcohol Education: For 2 semesters with 90% of members present and participating. (4.) Mandatory monthly meeting: With their on-campus advisor for 12 months.
Phi lota Alpha	Spring 2021	4/8/2021	Three spring 2021 new members in Phi lota Alpha were arrested for stealing street signs by College Station Police Department on April 6, 2021. All of these individuals expressed that alumni told them to do this as a "pledge task." During interviews, no one expressed which alumni told them to do this. Phi lota Alpha conducted their own internal investigation after the university investigation concluded. A member disclosed that the President of Phi lota Alpha, had instructed the three individuals to steal the street signs as extra credit to shorten their pledge process.	7/14/2021	In total 1 student was found responsbile for actions related to hazing in this incident. This student assisted, directed, and/or cau new members to steal street signs.		TAMU Student Rules (24.4.5. Hazing)	10/21/2021	Primary Sanction(s): Organizational Conduct Probation through March 1, 2022. Secondary Sanction(s): (1.) Social Restriction: Phi lota Alpha may not host or engage in any social event activities except for regular membership meetings through October 31, 2021. (2.) Recruitment Restriction: Phi lota Alpha may not host or engage in any recruitment activities through December 31, 2021. (3.) Hazing Prevention Training: Phi lota Alpha must work with the Student Conduct Office to facilitate a hazing prevention workshop for its officers and members. This training requirement must be attended by all officers and at least 50% of the membership, with confirmation of date and attendees submitted by November 1, 2021. (4.) Urganization Policy Development: Pin Tota Alpha must create an officer/member within their governing documents to establish an internal accountability process to address behavior that violates TAMU Student Rules and/or organization policy. This policy must be availabled by any approved by the organization of this national.
Alpha Kappa Alpha	Spring 2021	9/3/2021	An anonymous report was made regarding alleged hazing in the spring 2021 semester in Alpha Kappa Alpha (AKA) and an investigation was conducted by the regional office of AKA. AKA's investigation resulted in the removal of new members and president, before the conclusion of the spring 2021 semester. The new members removed confirmed that hazing occurred when TAMU conducted their separate investigation and said certain indivduals were the individuals that led the hazing activities. A student denied this occurred and spring 2021 vice president of AKA, stated they were not aware of these activities led by the group of individuals mentioned.		No individual students were found responsbile for actions related hazing in this incident.	d to		11/15/2021	Primary Sanction(s): Organizational Conduct Probation through December 31, 2022. Secondary Sanction(s): (1.) University Restriction (Intake Restriction): Alpha Kappa Alpha may not host or engage in any new member intake activities throughout the conduct probation period, ending on August 1, 2022. (2.) Educational Requirement (Hazing Prevention Training): Alpha Kappa Alpha must coordinate in-person hazing prevention workshops for its officers and members. This training requirement must be attended by at least 100% of the membership once during the Spring 2022 semester and once during the Fall 2022 semester. (3.) Other Requirement (OFSL Consultations): Alpha Kappa Alpha's chapter officer team must attend consultation meetings with OFSL staff to address topics including, but not limited to, effective officer transitions, risk management, new member intake processes, alumni involvement, and on-campus advisor engagement. These consultation meetings must be held twice a semester throughout the conduct probation period, ending on December 31, 2022.
F-1	Spring 2021	10/15/2021	Students were caused to engage in unauthorized physicial exercise in inclement weather.	11/2/2021	In total 2 students were found responsible for actions related to hazing in this incident. The students assisted, directed, and/or caused freshmem cadets to engage in unauthroized physical exert in inclement weather. A-1	Fall 2021	12/2/2021	A student was caused to enage in physical actvities despite an injury and medical advice to not participate. This individual was repeatedly told they would not be respected if they chose to not participate.	2/17/2022	In total 1 student was found responsbile for actions related to havin this incident. This student assisted, directed, and/or caused a cadet to enage in physical activites despite an injury and medcial advice to not participate.	Primary Sanction(s): Conduct Review through Spring 2022 Corps Conduct Review through Spring 2022 Secondary Sanction(s) (1.) HAZING EDUCATION WORKSHOP: A one day, in person workshop to discuss the characteristics of hazing and examples, its impacts, and the organization individuals are a member of and how it can prevent hazing in the future. (2.) LETTER OF APOLOGY: A letter that is meant to apologize to the cadet involved in this incident.	TAMU Student Rules (24.4.5. Hazing)		
Kappa Alpha Order	Spring 2022	3/3/2022	Two reports of hazing were received for Kappa Alpha Order. Hazing was corroborated by one of the new members in the spring 2022 pledge class and then corroborated secondhand by a brother of a new member who dropped from pledging this semester. The rest of the A&M new members and active members stated various hazing behaviors did not occur in the organization and they are unsure where the complaint(s) came from. The organization suspended one active member, and the investigation team was not able to draw a clear reason of why that member was suspended, but other active members named in the complaint were not suspended. The nationals office and advisor team stated this organization is disorganized.		No individuals students were found resposnbile for actions relate to hazing in this incident.	ed ed		8/29/2022	Primary Sanction(s): Organizational Conduct Probation through January 15, 2023. Secondary Sanction(s): (1.) Educational Requirement (Hazing Prevention Training): The chapter must coordinate and attend a hazing prevention workshop facilitated by an OFSL staff member for its officers and members. This training requirement must be attended by at least 50% of active and new members, with confirmation of completion and attendees submitted by October 1, 2022. (2.) Educational Requirement (Alcohol Education Training): The chapter must coordinate and attend an alcohol education workshop facilitated by a member of the Health Promotions office for its officers and members. This training requirement must be attended by at least 50% of active and new members, with confirmation of completion and attendees submitted by October 1, 2022. (3.) Other Requirement (National Office Support Plan): The chapter must attend and/or comply with all events and directives outlined in the Support Plan submitted to the university by the Kappa Alpha Order National Office by December 5, 2022.
Alpha Omicron Pi	Spring 2021	3/22/2022	An Alpha Omicron Pi member reported incidents of hazing within Alpha Omicron Pi ($AO\pi$) to an OFSL staff member, perpetrated by her "big" from Spring 2021 to Fall 2021. The member reported that she was bullied in person and via Twitter, as well as pressured to drink alcohol and use a marijuana edible over various occasions. The big stated that she never engaged in hazing behaviors and that her little provided marijuana edibles for her and others on different occasions. The issues between these two members were addressed to $AO\pi$'s standards board solely and no reports were made to TAMU at the time of these incident(s). The organization tried to handle this situation internally and it did not go through the proper reporting mechanisms through their national office either.		No individual students were found responsbile for actions related hazing in this incident.	d to		9/15/2022	Primary Sanction{s}: Letter of Reprimand Secondary Sanction{s}: (1.) Educational Requirement (OFSL Consultation): The President, New Member Educator, and VP of Standards (or equivalent) must schedule and attend a meeting with a staff member within the Office of Fraternity and Sorority Life for the purpose of discussing proper protocols and practices for hazing prevention, reporting, and adjudication, with confirmation of completion submitted by October 20, 2022. (2.) Educational Requirement (Hazing Prevention Training): The chapter must coordinate and attend a hazing prevention workshop facilitated by a staff member within the Office of Fraternity and Sorority Life for its officers and members. This training requirement must be attended by at least 50% of all active initiated members, with confirmation of completion and attendees submitted by October 20, 2022.
C-Battery	Spring 2022	3/24/2022	An student's roommates' belongings were tossed into a hallway and the student was then caused to pick them up. During this interaction a saber was pointed at the student and was accompanied with a statement that appeared threatening in nature.	4/27/2022	In total 1 student was found responsbile for actions related to havin this incident. This student assisted, directed, and/or caused a cadet's rommates' belongings to be thrown into a hallway and the cadet was then caused to pick them up.		TAMU Student Rules (24.4.5. Hazing)		
Aggie Transition Camps	Fall 2020	7/22/2022	Aggie Transition Camps (ATC) advisor submitted a report of alleged hazing that he received firsthand from a former student. Approximately in December 2020, it was alleged that members of ATC's team hosted a yell practice in Lick Creek Park where males were fully nude and females were dressed down to their bras and underwear. The non-student reporter did not participate in the investigation and no one else confirmed that this incident occurred. During interviews, some previous members of team stated that one member streaked naked through the park and that everyone (including females) would sometimes be shirtless for the yell practices due to the heat outside.		No individual students were found responsible for actions related hazing in this incident.	d to		1/9/2023	Primary Sanction{s}: Organizational Conduct Probation through September 1, 2023. Secondary Sanction{s}: (1.) Educational Requirement (Hazing Prevention Training): The student organization must coordinate and attend a hazing prevention workshop facilitated by the Student Conduct Office for its Spring 2023 incoming leadership and membership. This training requirement must be attended by 100% of director staff and at least 90% of organization members, with confirmation of completion and attendees submitted by May 1, 2023.
D-1	Fall 2022	9/19/2022	A student was caused to engage in unauthroized physcial exercise while in the Quad.	9/28/2022	In total 1 student was found responsbile for actions related to hazing in this incident. Sigma Chi	Fall 2022	10/11/2022	An anonymous source submitted a report alleging that active Sigma Chi members were requring new members or "pledges" to particpate in various activites. In submitting their report they provided a screenshot of a GroupMe chat labled "Rides." This chat was alleged to be how pledges coordinated giving rides to active Sigma Chi members and had messages with phone numbers attached. Phone numbers posted in the GroupMe were cooroborated to be those of active members. It was also alleged that pledges had to carry drugs and paraphernalia on their persons at all time for active members. The report also claimed a pledge was arrested for drug and parapernalia possesion. Investigators were	3/1/2023	In total 6 students were found responsbile for actions related to hazing in this incident. These student assisted, directed and/or caused Sigma Chi pledges to give rides to active members.	Primary Sanction(s): Conduct Review through Spring Semester (6 students) Secondary Sanction(s): (1.) HAZING EDUCATION WORKSHOP: A one day, in person workshop to discuss the characteristics of hazing and examples, hazing's impacts, and the organization individuals are a member of and how it can prevent hazing in the future.	TAMU Student Rules (24.4.5. Hazing)		

			able to corroborate the arrest but in investigation interviews the allegation that pledges were required to carry drugs and paraphernalia was denied.					
Pi Kappa Phi	Fall 2022	10/17/2022	A non-student submitted a report alleging that Pi Kappa Phi members engaged in various hazing activites. This report accused members of requiring new members or "pledges" to participate in a series of physical activites and chores/errands, wear specific items or clothing, and/or ot be subjected to yelling and humiliation,. The non-student accused these activites as having a severe impact on their mental health and physical well-being. During interviews, some individuals did corroborate allegations made in the report with one pledge class member stating they at times were concerned about what would happen to them during some of the activites.	3/23/2023 (4 Pending Resolution)		Primary Sanction(s): Letter of Reprimand (1 student) Conduct Review through Spring 2023 semester (1 student) Conduct Review 1 semester (4 students) Conduct Review 2 semesters (19 students) Conduct Probation 2 semesters (1 student) Secondary Sanction(s): (1.) (2.) REFLECTION PAPER: indivdualized prompt intended to meet a specfic educational outcome.	TAMU Student Rules (24.4.5. Hazing)	
K-2	Fall 2022	10/26/2022	Several students pushed an upperclassman into a dorm room, where that individual was caused to sweep the floor and asked to take their clothes off and assume a "crucifixion" position in the window. When that individual declined to do so, another member of the outfit was asked to demonstrate, which they did. They then proceeded to dance around the room unclothed and hug/"dry hump" the upperclassman who had been pushed into the room. Members of the outfit then caused the upperclassman to be "hog-tied," suspended from a pull-up bar, and photographed with an apple in their mouth. After the incident, the upperclassman found a rag with the words "cum rag" written on it in their bed.	2/7/2023	In total 7 students were found responsbile for actions related to hazing in this incident. Students either failed to report actions related to hazing in this incident, or assisted, directed, annd/or caused a upperclassmen to engage in and experience the behavior described in the incident description.	Primary Sanction(s): Conduct Probation through Spring 2023 (1 student) Conduct Probation through Fall 2023 and then Conduct Review through Spring 2024 (1 student) Conduct Probation through Fall 2023 and then Conduct Review through Spring 2024 (1 student) Conduct Probation through Spring 2024 (2 students) Suspension through Fall 2023 and Conduct Probation for 1 semester upon reenrollment (1 student) Suspension through Fall 2024 (1 student) Secondary Sanction(s) (1.) HAZING EDUCATION WORKSHOP: A one day, in person workshop to discuss the characteristics of hazing and examples, its impacts, and the organization individuals are a member of and how it can prevent hazing in the future.
